Subject: Equipment Warranty Repairs

Dear Bill and Ryan,

Before the year is out, I want to thank you for your courtesy in honoring the warranty for the recent repairs on my downstairs furnace air supply (11/29/12), and on my upstairs AC-coil condensate drain system (12/06/12). Your technicians, Don and Bert and Kevin, recognized the problems right away and did a very professional job in fixing them.

Thank you,
